## Fund Overview

### Objective and Policy

The SEM Income Fund is designed to meet the needs of investors who are primarily interested in a steady and reliable flow of income from their investments by distributing income on a quarterly basis.

The SEM Income Fund comes as a quality income fund that would invest in long term bonds and shares with stable earnings and cash flows that also pay attractive dividends.

The Fund shall invest primarily in fixed income securities with capital protection and stable income and high dividend yield equities. The assets would include long to medium term fixed income securities issued by the Government of Ghana, Ghanaian corporate entities and Bank of Ghana licensed banks and non-bank financial institutions.

### Asset Classes

- Long Term GOG and Corporate Bonds
- Stocks Listed on the Ghana Stock Exchange
- Money Market Instruments
- Cash and Cash Equivalent

### Investment Styles

- High Coupon Rates
- Low Price to Earnings Ratios
- High Dividend Yields
- Undervalued Stocks
- Managed Volatility

## Risk

The Fund is invested in fixed income instruments and GSE listed equity securities. Equity investments of the Fund are subject to normal market fluctuations.
